The Ministry of Training, Colleges and Universities has assessed your proposal, dated October 13, 2009 to offer a program entitled Magnetic Resonance Imaging. The Credentials Validation Service validated the program on September 1, 2009.

The Ministry is pleased to approve this program for funding.

This also confirms ministry approval of the proposed annual tuition fee of \$6000.00 for this new high demand program. Please note that the tuition fee may be increased by a maximum of up to 8% annually for the first year and one year programs and by up to 4% for continuing years. Please also note that enrolment in basic programs will be included in the calculation of the percentage of basic enrolment in high demand programs.

The approved title, which must appear on the Ontario College Graduate Certificate, and other information to be included on the approved programs list are shown above.

Yours sincerely,

Joanne Brown
